## Centre for International Accreditation

(formerly Centre for Laboratory Accreditation)

### Certificate of Accreditation

**URS Products and Testing Private Limited**

A-29, Sector-5,  
Noida- 201301, Uttar Pradesh, India

has been assessed and accredited in accordance with the Standard  
**ISO/IEC 17025:2017**

“General Requirements for the Competence of Testing and Calibration Laboratories”  
In the field of  
**Testing**

This certificate remains valid for the Scope of Accreditation as specified in  
the annexure subject to continued compliance to the above standard & any  
other requirements specified by QAI.

**QAI/CIA/TL/2023/0032**

(Date of First Accreditation: 17 November 2023-16 November 2025)

Valid from: 17 November 2025

Valid until: 16 November 2027

**Dr. Bhupendra Kumar Rana**  
Chief Executive Officer

**Prof. Vikram Kumar**  
Chair, CIA

## Centre for International Accreditation

(formerly Centre for Laboratory Accreditation)

### Scope of Accreditation

**URS Products and Testing Private Limited**

A-29, Sector-5,

Noida- 201301, Uttar Pradesh, India

QAI/CIA/TL/2023/0032

Date of First Accreditation: 17 November 2023- 16 November 2025

Valid from: 17 November 2025

\*Scope Amended w.e.f.: 30 May 2026

Valid until: 16 November 2027

Accreditation Standard: ISO/IEC 17025:2017

| Electronics Testing |                                                     |                                                     |                                                                                                                                                                                                                                                                                                            |
